The Health Office Is In Need - of sandwich or snack size zip lock bags. If you would like to donate a box please bring to the office.

Student Safety - is a concern to all of us especially as students enter and exit the school grounds. Please make sure to drop off and pick up your child in the designated areas so that students don't have to walk across the street outside the crosswalk areas. Please do not make U turns in the street or back in our neighbors' driveways. Also with the great weather, we have many students and parents who are walking or biking to school. We've moved the bike racks to accommodate more bikes. Please be sure to follow bike safety rules and **walk your bike across the crosswalk** and on school property.

Lunchtime - Please remind your child to take the necessary time to eat his/her lunch each day. Students have 20 minutes to eat lunch and they will need to use this time as such. K/1/2 - eat 1:15-11:35 then play 11:35-12:00; 3/4/5 - play 11:15-11:35 then eat 11:40-12:00.

The Slavens Annual Golf Outing, Sunday, Oct 4th - Noon, Shotgun Start, at Wellshire Golf Course. Bring a friend, build your own foursome! Come out and have fun supporting our school! Register online now at www.slavensgolf.com. Families, neighborhoods, or companies are invited to sponsor a hole to help fund Slavens school programs. Questions? Contact Joe Graff 303-871-8910 or Brandon Collins 303-255-0550.

Telephones - We encourage all students to make advance plans for after school activities and for transportation home. We would like for the telephone in the main office to be used for emergencies only. Also, except in the case of a true emergency, **we cannot relay messages to students**, nor can we put phone calls through to the classrooms; we want to minimize disruptions to the classroom. Thank you for your understanding and cooperation with the use of telephones in the school.
