

Slavens' Band Program Really Rocks!

**The annual FOSS campaign is going on now.
Help bring the extras to every child, every day. Like Band!**

The brand new Band Program for grades 4-7 is off to a great start with 26 musicians, thanks in part to your donations to FOSS.

FOSS funding pays for the extras at Slavens; things *not* covered by Denver Public Schools. Because of your generosity, kids are learning to read music and play flute, clarinet, trombone, percussion, trumpet and saxophone. Band is one of the things that makes Slavens a unique and fun place to learn.

If you have already donated to FOSS this year, THANK YOU. If not, you can help us reach our goal of \$60,000 by donating now at <http://slavens.dpsk12.org>. Or just drop a check in the school office.

Every Donation Counts. Especially yours.
