

“Help Us Go Beyond the Basics!”

**The annual FOSS campaign is going on now!
With your help, we'll bring the extras to every child, every day.**

Recently every family received a brochure asking for your support of FOSS (Friends of Slavens School). FOSS funds are critical to the success of Slavens because they pay for things that are *not* covered by Denver Public Schools.

This year FOSS will help pay the salary of our Music and Musical Theater teacher, and buy materials and supplies for Art, Music, Spanish, Mathletics and the Geography Bee, as well as support our Technology and Band programs.

If you have already donated, THANK YOU. If not, you can help us reach our goal by donating now at <http://slavens.dpsk12.org>. Or just drop a check in the school office.

Every Donation Counts. Especially yours.

Beyond the Basics
