# Description of Volunteer Opportunities

Involvement at Slavens School is an asset, a key building block that helps our kids succeed. Please find time to play an active role in enhancing your child's education by volunteering. Select one or several opportunities that fit your interests and schedule on the form on the opposite page and return it to the school office as soon as possible. The contact person for the activities you have selected will be calling you over the next few weeks. Please check the PTA/CSC bulletin board during the school year for the list of chairpersons and further volunteer opportunities. For general questions, please call PTA Volunteer Coordinator Janet Willson at 303-692-8920.
