## Slavens K-8 School

**3000 S Clayton St, Denver, CO 80210**

Slavens K-8 School is a Leader In Me school that takes the development of the whole child seriously. We believe that a strong educational foundation is attained by providing a thoughtful and nurturing environment where students feel safe and cared for. We have a Code of Conduct that begins, "At Slavens, we take the high road..." and ends with "... even when no one is watching" which signifies our central theme: students are responsible for their own behavior and learning and our job as adults is to support them in their development. Our goal is to grow compassionate, ethical and productive students who are engaged and challenged in their learning.

## Mission Statement

At Slavens School we provide a rich academic experience that builds a foundation for every student to become a compassionate, ethical and productive global citizen.

## Vision

Slavens is a community that educates students for life's journey

## Code of Conduct

At Slavens we take the high road. We genuinely care about ourselves, each other and our school. We show and receive respect by: using kind words and actions, listening thoughtfully, standing up for ourselves and others and taking responsibility for our own behavior and learning. This is who we are even when no one is watching!
